Welcome to Fort Sill - Home of the Field Artillery

We salute your decision in joining the Army family. The 95th Adjutant General Reception Battalion is your first stop towards the Warrior Transition Course in New Mexico. The Reception Battalion is not basic training. Your stay at the Reception Battalion is designed to process you into the Army System and prepare you to ship to training. You can expect to stay at the Reception Battalion for approximately 4-10 days, depending on what day you arrive. Below is a schedule of WTC Course dates.

You will arrive at 95th Reception Battalion via the OKC airport. Once you arrive at the airport, the volunteers at the Travelers Aid desk are there to assist you. After retrieving your luggage at baggage claims you will need to sit in the immediate area in order to catch the "Soldier's Express" bus. The bus will arrive at the following times: 6:30pm, 8:30pm, & 10:30pm. Fort Sill is a 'closed' post. In order to gain access you must show a valid photo Identification Card (ID).

The bus trip to Fort Sill is approximately 1 ½ hours. Once you arrive to the 95th Adjutant General Reception Battalion you will be greeted by a Drill Sergeant. Make sure you listen carefully and take all instructions seriously. Your initial processing that night will take approximately 2 hours to complete. You will be given a box meal just in case you didn't have time to grab something to eat at the airport. If your flight was late and you missed the last bus, you will receive room and board. You will need to call toll free **1-866-632-6103**.

You are not authorized to drive your Privately Owned Vehicle (POV) unless your orders state that you are. In addition, you will not be authorized to purchase a vehicle while processing through the Reception Battalion. You will be transported to White Sands by commercial bus. The bus trip takes approximately 6 hours. Your family members are not authorized to accompany you to the Reception Battalion or the Warrior Transition Course. Please make sure you take care of all personal matters before you leave home. You

will need to concentrate on processing into the Army system and moving out to training.

While at the Reception Battalion you can expect to be processed along side Initial Entry Training Soldiers. You will be housed separately and treated as a "Student". As such, you will have certain privileges. Drill Sergeants assigned to your WTC Platoon will walk you through your processing schedule. Below is a typical processing schedule and what you can expect while here at 95th.
